# MORTGAGE LOAN APPLICATION

Greetings in the Name of our Lord and Savior, Jesus Christ!

Attached is The Church Extension Fund (CEF) Loan Application which should be completed and returned to CEF for submittal to the Board of Trustees for their approval. PLEASE NOTE: When the aggregate of loans for any congregation will exceed \$1,500,000.00, approval must be obtained from the Special Loan Committee or District Convention. This may affect the timing of your application.

Mortgage loans may be made for a maximum of 25 years. At the present time the established rate of interest is 5.875%. Congregations requesting loans from the Fund are currently requested to raise supporting investments amounting to 25% of the loan.

The Church Extension Fund reserves the right to revise the interest rate at the end of each two-year term of the loan. This is particularly important if we are to continue to offer the most favorable rates to our investors. Prepayments are encouraged and may be made without penalty. It is the borrower's responsibility to pay filing fees and the cost of title insurance only. These costs may be included as part of the loan or paid as incurred.

The needs of mission stations and subsidized congregations will receive priority consideration, but, to the extent that money is available; the needs of self-supporting congregations will be met. All congregations are encouraged, on the basis of good stewardship, to take advantage of the comparatively low cost of financing through The Church Extension Fund.

As always, please do not hesitate to contact our office if you have any questions relating to this loan process.
