

CHURCH EXTENSION FUND

Growth Bonds are a terrific way to teach children to save and to help Central Illinois District churches, schools, and daycare centers. The money from the sale of growth bonds is used to assist these organizations with the purchase or construction of new buildings or the repair and updating of their current buildings.

Growth bonds can be purchased two ways. First, children can receive or purchase Savings Stamps and fill our stamp books. Each stamp costs 25 cents and they can be purchased by parents, churches or schools. They can then be sold to the children or given to them as rewards for good behavior, attendance, etc. When a stamp book is filled with 75 stamps it is worth \$18.75. You then send the filled book(s) to Church Extension Fund and we will issue a Growth Bond.

Second, you can purchase a growth bond directly from Church Extension Fund for \$18.75. Just complete the bottom of this form, and return it with a check made payable to Church Extension Fund.

No matter how you choose to save with CEF, you will earn a favorable interest rate, but more importantly you are helping provide money for the extending God's Kingdom right here in Central Illinois.
