

# Share Your Story

Teachers around our district are very interested in hearing what is happening at other Lutheran schools.

If you have something to share, write it down and send it to the CID Education Office. I'll print it in a newsletter that can be distributed to the CID schools.

What would be of interest?

- ? Great teaching ideas
- ? Helpful resource you have found  
Academics, funding, websites...
- ? Special program, presentation, or activity  
For parents, students, community, congregation members, all of the above...
- ? Successful student stories (current and former students)
- ? Faith-building stories of the Holy Spirit at work in your school
